OVERVIEW

Trilord Consulting (Pty) Ltd (Trilord) is a specialist advisory firm that operates in complex, high-stakes business environments where clarity, speed, and execution are critical

Who We Work With

We work with companies, boards, and stakeholders facing pressure, transition, or opportunity. Our role is to bring structure to uncertainty, stabilise situations where required, and implement practical, commercially sound solutions that move businesses forward.

While our core expertise lies in business rescue, turnaround, and restructuring advisory, our capability extends across broader commercial, financial, and strategic advisory; from distress and recovery through to growth, capital strategy, and transaction support.

Our approach is hands-on, outcome-focused, and tailored to the specific realities of each situation.

- Companies under financial pressure or operational instability
- Boards and executives requiring clarity on restructuring options
- Businesses entering or considering business rescue
- Stakeholders navigating creditor, investor, or regulatory negotiations
- Organisations seeking capital, growth, or transaction support
- Situations requiring independent, experienced judgement
